MNPREV

Your source for substance abuse prevention information, brought to you by the Minnesota Prevention Resource Center

Help by sending us your prevention content, news and stories! Email [Erica](#).

WEBSITE FEATURES

Prevention Resources

Have you checked out the resources section of our new website yet? Search and access a wide variety of resources to support your work in developing and implementing substance abuse prevention strategies in your community.

[Click here to access](#)

The screenshot shows the MNPREV website's 'Browse Resources' page. At the top, there is a navigation menu with links for Home, About, Conference, Trainings, Resources, and Newsletter. The MPRC logo is centered. Below the navigation is a blue header with the text 'Browse Resources'. On the left side, there are two sidebar menus: 'Topics' with a 'Select Topic' dropdown, and 'Resource Type' with a list of categories including Brochure, Factsheet, Online Course, Organization/Initiative, Report, Research Summary, Tool, and Webinar Recording. Below these is a 'Year Published' menu with a list of years from 2018 down to 2011. The main content area features a 'WELCOME!' section with introductory text and a 'Borrow a book' section. Below this, there are three featured resource cards: 'The Community Guide' (with a thumbnail image of people), 'Know the Dangers .COM' (with a black and white graphic), and 'The Generation Rx Initiative' (with a graphic of a chain link).
