CONFERENCE

Minnesota Prevention PROGRAM SHARING CONFERENCE

October 25-26, 2018 in St. Cloud

The conference supports people and organizations to engage in addressing the root causes of substance abuse. Get connected to people from across the state doing community based prevention work!

**Program Sharing is just 23 days away and deadline to register is October 18
GET YOUR TEAM REGISTERED!**

Because the conference is **jam packed** with many great breakout sessions, we highly recommend you bring as many people from your team as you can. This will enable you to split up and attend more sessions to share with one another as well as take back to your community.

Tickets for groups of 3 or more are discounted 20%.

**20% off
groups of 3
or more!**

Check out our awesome and highly curated [BREAKOUT SESSIONS](#) and [SCHEDULE](#)

REGISTER

The Conference qualifies for 10.5 hours of continuing education by the Minnesota Board of Social Work.

FUNDING OPPORTUNITIES

Minnesota Organization on Fetal Alcohol Syndrome (MOFAS) is currently accepting applications for the 2019 Fetal Alcohol Spectrum Disorder (FASD) Prevention Grant. Your organization can receive up to \$2,500 to host a community event that will:

- educate people on the importance of preconception health and planned pregnancies
- increase awareness of the risks associated with drinking alcohol during pregnancy, and
- encourage safer alcohol choices and alcohol-free pregnancies.

[More details here!](#)

Grant application deadline is October 12 at 5 pm.

UPCOMING TRAININGS

WEBINAR

Screening for Adolescent Mental Health and Depression: Implementing universal screening and referral in annual preventive visits

Thursday, October 11 from 11:00 am to Noon CT

October 11th is National Screening for Depression Day. This webinar will cover current recommendations for mental health screening, with a focus on adolescents and young adults. It will highlight standardized screening instruments and discuss addressing positive screens, including the practice of warm referral. This one hour learning opportunity includes both clinical perspective and the state systems support.

More information and registration details [here](#).

Questions? Contact Lesley.Craig@hhs.gov

This training is specifically designed for people who are new to prevention work. Substance Abuse Prevention Skills Training is offered 3-4 times per year.

Qualifies for continuing education credits for CHES certification

Register December 3-6, Rochester

We encourage feedback on how we can improve MN-Prev, and hope you will share with others who work in prevention!
