CONFERENCE

Minnesota Prevention PROGRAM SHARING CONFERENCE

The conference supports people and organizations to engage in addressing the root causes of substance abuse. Get connected to people from across the state doing community based prevention work!

NEW THIS YEAR!

POWER SESSIONS - Longer, more in depth and hands on.

NETWORK WITHIN YOUR REGION - Get to know people in your region at a facilitated session with your local contacts for support, the Regional Prevention Coordinators.

INTERACTIVE LEADERSHIP SESSION - A focused conversation to apply the concepts from the Keynote Presentation on Working Across Difference.

[REGISTER](#)

EXHIBIT!

Get in front of the people doing this work on the ground, gain exposure and educate them about your organization. Cost is just \$200.

NEW FOR EXHIBITORS - *Get to Know a Prevention Resource*

Talk about your exhibit to a captive audience! Primary prevention organizations who exhibit may opt in for up to a five minute “pitch” before day one breakout sessions. Share your marketing materials too! [Click here](#) for more info and to register as an exhibitor.

PREVENTION NEWS

Sign Up For 2018 Substance Use Disorder Stakeholder Engagement WebEx's

Substance Use Disorder Stakeholder Engagement Topic sessions provide topic specific engagement on policy recommendations. Speakers will present on topics involving policy recommendations for the 2019 sessions. These topic specific webinars are in August and Sept to share information on what is currently happening and get additional feedback on those topics.

[Register](#)

NOTE: MN Dept of Human Services Behavioral Health Division has added 'Primary Prevention' as a topic you can sign up for E-memos on! If you aren't already subscribed to the "Primary Prevention" E-memo, please do so by clicking [here](#) to subscribe, or update your subscription.

Register

Move your community coalition policy work forward!
Presented by Michael Sparks, a national trainer for the Community Anti-Drug Coalition of America

FUNDING OPPORTUNITIES

Application Period for Opioid Funding Opportunity Extended

Opioid Affected Youth Initiative

The OJJDP FY 2018 Opioid Affected Youth Initiative will fund sites to develop a data-driven coordinated response to identify and address challenges resulting from opioid abuse that are impacting youth and community safety. Sites will work with OJJDP and a technical assistance provider to develop data collection tools that will inform strategies and programs to be implemented by the sites to address specific challenges resulting from the opioid epidemic.

Deadline has been extended to August 2

Applications due by 11:59 pm eastern time (ET) on August 2, 2018.

[More details here](#)

We encourage feedback on how we can improve MN-Prev, and hope you will share with others who work in prevention!
