CONFERENCE

Minnesota Prevention PROGRAM SHARING CONFERENCE

October 25-26, 2018 in St. Cloud

The conference supports people and organizations to engage in addressing the root causes of substance abuse. Get connected to people from across the state doing community based prevention work!

FRIDAY KEYNOTE SPEAKER THE OUTSIDE

SHARED WORK - WORKING ACROSS DIFFERENCE

Differences between collaborators often becomes the focus rather than getting work done together. In this keynote, The Outside will present the Shared Work model, which puts getting to work back at

the center of our collaborations and offers up important stances to take and ways to get unstuck in collaborative work.

An excellent topic - prevention work is SO dependent on successful collaborations!

10 Steps to Adopting Local Policy for Youth Substance Use

Find answers and learn the process to implement a successful community level policy

**Attend this free two session webinar and
move your community coalition policy work forward!**

Session 1: Tuesday 9/25/18, 1:00-2:00

Formative campaign stage: involves assessment, clarifying policy goals, framing your issue, and raising awareness.

Session 2: Friday 9/28/18, 1:00-2:00

Covers steps for building community support for the policy and ensuring policy implementation.

Whether your coalition is in the midst of a policy initiative, has never tried, or is somewhere in between, this webinar is for you. Adopting a local social host ordinance will be used to illustrate the process, though it is applicable to any prevention policy initiative.

**Presented by Michael Sparks, a national trainer for
the Community Anti-Drug Coalitions of America (CADCA)**
