

# CHECKING IDs DURING COVID-19

COVID-19 presents unique challenges for ID'ing customers. However, you are still legally responsible for preventing sales to minors.

## HEIGHT

Check the height on the ID

## EYES

Check eye shape and color

## OPTIONAL REQUEST

Businesses may ask a person to temporarily remove their face covering so their identity can be verified. However, businesses are encouraged to use other means of identification that do not require a person to remove their face covering to the extent possible.

## HAIRLINE

Compare forehead height and hairline

## EARS

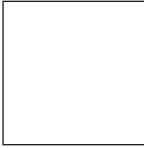

Compare shape and position

## ASK QUESTIONS

Confirm key information off ID
